RHCA Budget

The RHCA Board has scheduled a public hearing for members to comment on the proposed budget for the 2023 – 2024 fiscal year. All members are welcome to attend the meeting, copies of the proposed budget are available on the RHCA's DwellingLive community page, or from the Association Office.

Main Gate Septic Tank

The RHCA will be replacing the septic tank at the main gate next to the Tennis Courts. Court #1 will be closed on days when crews are drilling, excavating, and installing the new tank. Court #1 reservations will be closed on these days. We thank you for your patience while we make these improvements.

Tennis and Pickleball Court Rules

As the weather warms up and the days are longer it is a great time to play tennis and pickleball. Below are the rules for court use, guests, and making reservations.

Hours: 7:00 AM - 10:00 PM

Reservations

Reservations can be made online at yourcourts.com. Contact the RHCA office during normal business hours for assistance if you have any difficulty. Reservations are 90-minute time blocks. When making a reservation, please remember to check reservation type (Casual Play, Tennis Workout with a Pro, Lesson) and list your guests if known at the time of your reservation. This will make the sign-in process at the gates faster and more efficient. Please cancel your reservation at least 24 hours ahead of time, but same day cancelations are better than none. Cancelations should be made online.

Each Resident will be limited to 2 advance reservations per week and 5 advance reservations total within a four-week rolling schedule. Members can add new reservations as existing reservations are used. In the case of Household Accounts, limits are set at 4 advance reservations per week and 6 advance reservations total.

Guests

People who do not live in or own property in Rolling Hills are considered to be guests regardless of their family relationship. A resident may invite up to three guests to join them on their court for regular play. The resident must be at the court the entire time. Arriving visitors must sign in at the Main Gate. If the host resident has not arrived, the visitors must wait outside the court until the resident arrives.

The Needs of Seniors Committee is Looking for New Committee Members

The Needs for Seniors Committee is a committee comprised of residents looking for beneficial ways to identify and meet the needs of seniors in Rolling Hills.

Meetings are held on the 2nd Wednesday of the month at 3:30pm at the RHCA office. The

Committee discusses resources for seniors and plans social events within the community.

If you would like to attend a meeting, they are typically held on the 2nd Wednesday of every even month, the next meeting will be on:

Wednesday, June 14th at 3:30pm.

Rolling Hills Emergency Readiness – Evacuation Map

**KNOW YOUR
ZONE**

PLAN PREPARE EVACUATE

The Palos Verdes Peninsula cities, in collaboration with the County of Los Angeles Office of Emergency Management and public safety partners, have launched a new evacuation tool for the Palos Verdes Peninsula. The Know Your Zone maps will be utilized by local public safety agencies (law and fire departments), and your Peninsula cities to prepare you in the event of an evacuation. In urgent situations when an evacuation need arises, residents, businesses and visitors will be provided with timely critical information for impacted zones. Knowing your zone is critical to the evacuation process. If there is a wildfire or emergency situation, navigating the Know Your Zone map can help determine your next steps in emergency incidents affecting where you live, work, and play. It's also essential to sign up for important emergency notifications through the Alert Southbay system.

**Learn
More**

Southern California Edison (or SCE)

Southern California Edison will be using drones and helicopters to identify any potentially hazardous or damaged electrical equipment, poles, and towers. The amount of time it takes to

conduct inspections varies depending on how much equipment is on each pole or tower.

If you have any questions, please contact the Southern California Edison Customer Support Center at 1 (800) 655 – 4555.
